

I am writing this letter of recommendation for Ms. Abby Lawler, who I have had the honor of coaching for 6 years. During that time, Abby has always been one of the team leaders and hardest workers. Every shift, practice, or game she would be focused and leave it all out on the ice. I don't believe I have ever seen her complain about any situation or circumstance, even the most challenging.

Abby was the Team Captain, the person you would put out on the ice in critical offensive or defensive situations, and someone the Team would always rally around.

If you were to ask any of her Teammates, I am confident they would also say Abby is one of the locker room leaders and favorites. She gets along with all while still pushing others to keep up. A balance that is no small feat.

I am confident that Abby would be an amazing on and off the ice addition to any Team that is lucky enough to have her. Please feel free to contact me at any time for more details on how much of an amazing young lady Abby is!

Sincerely,

Scott Davis
